

Greetings.

We are contacting you today to invite you to take part in our Lighthouse Eagles Sports Booster Club for 2017-2018. Our Booster Club is reaching out to area businesses, seeking support, and forming longtime friendships. Lighthouse Eagles basketball is an extension of the Lighthouse Christian Homeschool Association. Lighthouse is a 501 (c) (3) non-profit association that has a tax ID number with the state of North Carolina. Your involvement with our program will reach hundreds of families in greater Wake Forest, Youngsville, Raleigh, and surrounding areas.

Lighthouse, which was started in 1996 and incorporated in 2006, is a non-denominational Christian homeschool support group. We currently run a competitive basketball program, open to all area homeschool students, which has both boys' and girls' teams at the Middle School, Junior Varsity, and Varsity levels. We belong to the NCHEAC Homeschool Athletic Conference, competing against homeschool teams from across the state as well as local, private, and charter schools. We also compete in the annual HSPN East Coast Homeschool Basketball Championship Tournament held at Liberty University each spring, which draws over 100 teams from across the United States.

All our leaders and coaches are volunteers. The program is currently almost completely funded by player participation fees, as well as concessions, and other fundraisers. One hundred percent of your donation will go directly towards the costs of running the program, and will allow us to begin saving for the much-awaited process of obtaining our own facility.

We have included a listing of tier packages to thank our supporters and recognize their level of support for Lighthouse Sports during our 2017-2018 basketball season.

If you have any questions, please let us know.

Thank You!

We here at Lighthouse have an amazing vision that we would like for you to be a part of. In addition to prayerfully one day having our own building, we also want to incorporate live viewing of all our basketball events. This will reach our community at large and beyond. Not only will it allow for viewing by those that have other commitments that day, but it will also allow for that grandma in Ohio or that uncle in Washington State to see the games. This also gives the coaches the opportunity to have the games for review and the ability for us to receive up-to-date statistics of the games. As a sponsor, you will have the opportunity to have your advertising run along the bottom of the game in a running banner format and/or have commercials run during the quarter changes.

Livestream® is used by churches, BBC®, NIKE®, IRONMAN®, and major sporting events just to name a few.

Below are the benefits of Livestream for your tier.
